

The 11th Annual International Conference of Information and Communication Technology (ICICT2021)

Invitation Letter

Wuhan, Hubei, China, December 3-5, 2021

Dear author,

The 11th Annual International Conference of Information and Communication Technology (ICICT2021) will take place in Wuhan, Hubei, China on December 3-5, 2021. Information and Communication Technology have a profound influence on how modern organizations operate. Information Technology supports various organizations for their decision making. New technologies are constantly emerging, which are enabling applications in various domains and services. Information Technology is no longer a functional area within an organization, but is integral to the functioning of an organization.

Like every year, 11th International Conference of Information and Communication Technology (ICICT-2021) shall provide a forum for presentation of new research results and demonstration of new systems and techniques in the broad field of information technology and management. The conference aims to bring together developers, users, academicians and researchers in the information technology and business community for sharing and exploring new areas of research and development and to discuss emerging issues facing business organizations in the knowledge economy.

The key to success of our conference is to get your support. We will appreciate if you can attend our conference.

Communication Method: Oral Presentation or Poster Exhibition

Organizer: Hunan University of Finance and Economics
