CALL FOR PAPERS (CFP) || ICICT2021

11th International Conference of Information and Communication Technology

December 3-5, 2021, Wuhan, China

CONFERENCE OVERVIEW AND CALL FOR PAPERS (CFP)

The 11th International Conference of Information and Communication Technology (ICICT2021) will be held during December 3-5, 2021 in Wuhan. Information and Communication Technology have a profound influence on how modern organizations operate. Information Technology supports various organizations for their decision making. New technologies are constantly emerging, which are enabling applications in various domains and services. Information Technology is no longer a functional area within an organization, but is integral to the functioning of an organization. In the recent time, Information and Communication Technology (ICT) is probably the single most important facilitator of the integration process. Submissions may cover but not limited to these areas:

- **Topic 1: Internet and Web Technology**
- Network and Sensors
- Sensor networks
- Internet of Things
- **Topic 2: Computer and Information Science**
- Automation and Control Engineering
- Information Management
- Software Engineering
- **Topic 3: Artificial Intelligence**
- Intelligent Systems
- Machine Learning
- Neural Networks
- **Topic 4: Data Science and Management**
- Data Mining
- DSP Algorithms & Architectures
- Database Technology and Data Warehousing
- **Topic 5: Communications Engineering**
- Communication Networks
- Communication Systems
- Communication Software
- **Topic 6: ICT Application**
- Rural Applications of IT
- Virtual Reality Artificial Intelligence

PAPER SUBMISSION GUIDELINES:

- ICICT2021 accepts original and unpublished papers.
- It is the responsibility of authors to ensure that submissions have not been, or will not be published elsewhere or submitted to another conference before the review notification date of this conference.
- Papers should be submitted in English.
- Papers should be submitted based on the template of the conference.
- Full papers should not exceed 6 pages.
- No changes will be made to the author(s) information after the submission deadline and acceptance.
- Submission Template: Authors must use the paper template for this conference (see attached). Please download the paper template.
- Submissions of original and unpublished manuscripts/papers (including abstracts) should be submitted through this E-mail: icictconference@163.com or Easychair submission system: <https://easychair.org/conferences/?conf=icict20211>.
- All papers submitted will be subjected to thorough peer-review based on originality, technical quality, and presentation.
- Invitations/acceptance letters will be sent to the author(s) after the review process and acceptance of papers submitted.
- All accepted papers will be given the chance to be presented (oral presentation) at the conference and be published in the ICICT2021 conference proceedings.
- Please download the paper template from our conference website: www.icictconference.com.

PUBLICATION

All papers, both invited and contributed, will be reviewed by at least 3 experts from the committees. After a careful reviewing process before the final decision and detailed presentation at the conference, all the accepted papers will be submitted to EI , Scopus, CPCI indexed proceeding from a top publisher.

KEY DATES:

- Opening Date for Submission: 2021.06.25
- Last Submission Due: 2021.10.15
- Notification of acceptance: 2021.11.15
- *Conference date: 2021.12.03-05*

JOURNALS:

Some of the best papers of ICICT2021 will have the chances to be recommended to SCI / EI journals for publishing.

1. Multimedia Tools and Applications (Indexed: SCI, EI, SCOPUS)
2. International Journal of Applied Decision Sciences (Indexed: EI, SCOPUS)
3. International Journal of Management and Decision Making (Indexed: SCOPUS, Google Scholar)
4. International Journal of Information and Communication Technology (Indexed: EI, SCOPUS)
5. International Journal of Computational Vision and Robotics (Indexed: EI, SCOPUS)
6. International Journal of Enterprise Information Systems (Indexed: EI, ESCI, SCOPUS)
7. International Journal of Communication Networks and Distributed Systems (Indexed: EI, SCOPUS)
8. Cybernetics and Information Technologies (Indexed: ESCI, EI-INSPEC, SCOPUS)
9. Symmetry (SCI, Scopus)

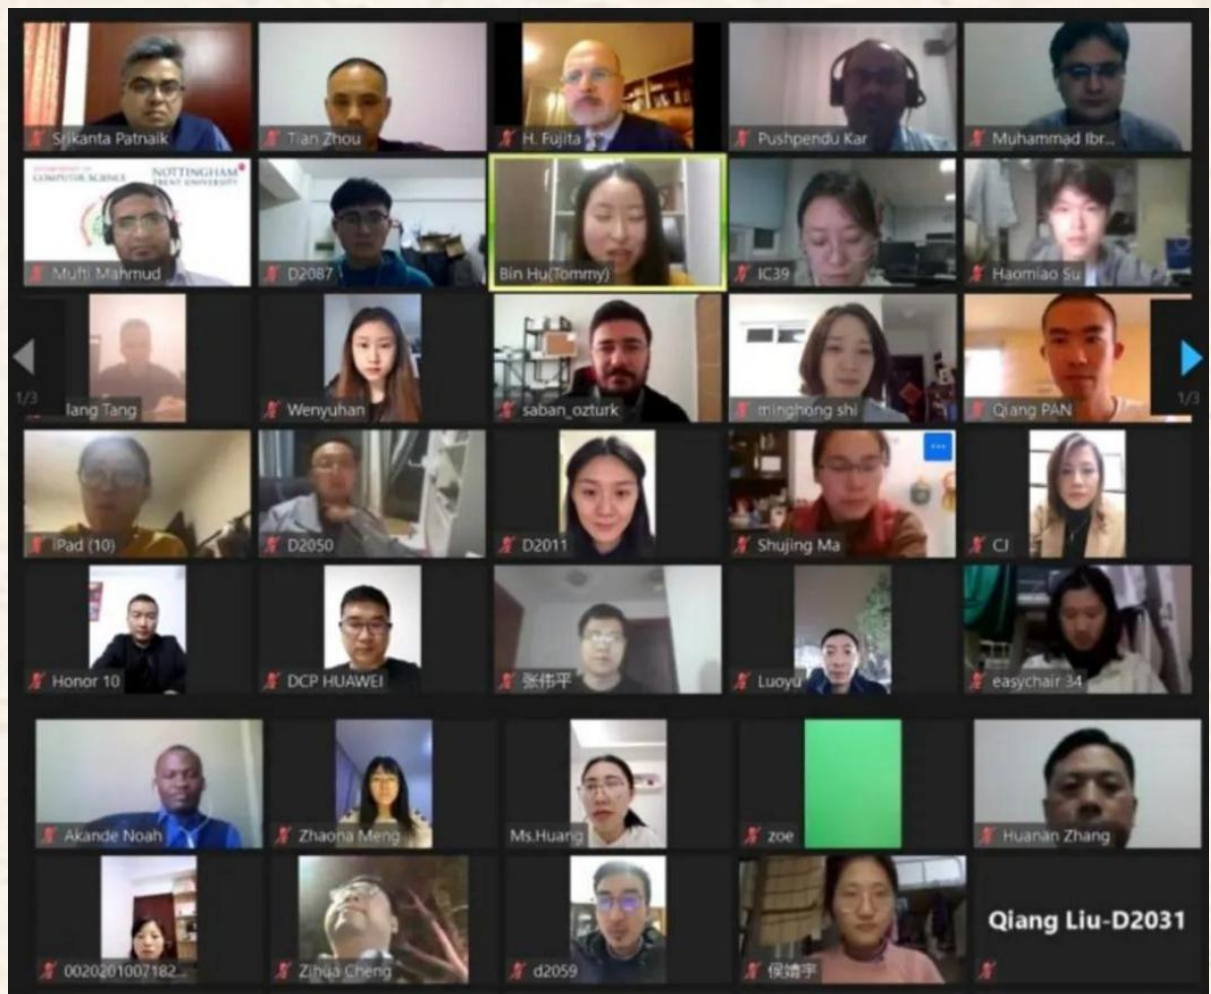

ORGANIZERS

CONFERENCE HISTORY

All the papers of ICICT2017, ICICT2018, ICICT2019, ICICT2020 have been indexed by EI and Scopus.

JOIN US

- To complete the paper plan in advance and expand the scale of the meeting, ICICT2021 encourages you to recommend more manuscripts;
- If you have a brilliant contribution in Intelligent, Interactive Systems and Applications area, and willing to serve as a TPC/Keynote Speaker, Please send your CV via email;
- If your university is willing to serve as the conference co-organizer, please contact directly.

ORGANIZING COMMITTEE

General Chair:

- Prof. Dr. Hamido FUJITA, Director of Intelligent Software Systems Iwate Prefectural University, Japan

Program Chair:

- Prof. Dr. Srikanta Patnaik, SOA University, Bhubaneswar Odisha, India
- Prof. Dr.Sc. Kazumi Nakamatsu, School of Human Science and Environment University of Hyogo, Japan

Publication Chair:
